## About Us

## Vikas Pack Plast

Vikas Pack Plast is a leading manufacturer and innovator in the field of PVC Shrink Packaging Solutions, proudly established in 1995. Recognized as one of the pioneers in Gujarat, we have consistently delivered high-quality packaging materials to a wide range of industries.

With a strong presence across Jetpur (Rajkot) and Vadodara, we have built a reputation for reliability, precision, and large-scale manufacturing capabilities. Our expertise lies in producing PVC Shrink Films ranging from 50mm to 900mm, catering to diverse industrial requirements.

We are backed by a high production capacity of up to 150 tons per month, ensuring timely delivery and consistent supply for bulk requirements. Our advanced infrastructure includes 20+ specialized machines for shrink sleeves, pouches, and cutting solutions in multiple shapes such as V, C, D, U, and more.
